Greetings!

IT'S A GREAT DAY TO BE A CHRISTIAN!

I wanted to give you an update on where Evangel Temple stands on opening back up to in-person worship services. After listening to Governor Asa's guidelines and recommendations, ET's Deacon Board unanimously voted to have our first in-person worship service May 24th. We will have two services, one at 9 am and one at 10:30 am and NO Wednesday night service for the month of May.

The new guidelines for your safety:

- 6 foot social distance at all times except for family groups
- Recommended face coverings worn inside for everyone over 10 years old
- Greeters will wear masks and open all doors of entry and exit
- No physical contact - hugs, hand shakes, fist bumps, etc. Instead we will air hug, smile and wave.
- There will be no nursery, ET Kids services, in-person Sunday School or ET Cafe
- Offering bags will not be used. A greeter will be at the sanctuary doors with offering buckets or you can use the collection boxes available at each door.
- Drinking fountains will not be available for use
- We will be cleaning and sanitizing between each service
- Hand sanitizer will be at each entrance as well as throughout the church and we encourage their frequent use
- Doors will open 10 minutes before each service

If you are sick, have a fever, present any signs of cold, flu or COVID-19 symptoms, or have been in contact with anyone who has had COVID-19 in the last 14 days, please stay home. If you are in a high-risk group, please continue enjoying our services on YouTube or Facebook. You can check out Pastor Ryan's update announcement on our Facebook page.

We care about your health and safety. Please contact the church office if you have any questions, 479-782-9121.
